II. Subscription Agreement

The undersigned hereby elects to purchase Class A Units (Units) of Nova RTP 2680, LLC, a North Carolina Limited Liability Company (the Company).

A. Purchase of Units

Subject to the terms and conditions hereof and the provisions of the Operating Agreement, the undersigned hereby irrevocably tenders a check in the amount of \$_____, representing the total purchase price of _____ Units (at \$5,000.00 per Unit) of the Company.

Note: The minimum investment is 100 Units or \$500,000 unless, at the sole option of the Manager, a lesser investment amount is allowed.

I understand that my admission to the Company as a Member is contingent upon the acceptance in writing of my subscription by the Company. I understand that pending such acceptance, funds will be deposited in a bank account owned by the Company until used for the purposes described in the Memorandum, and that the Borrower will hold in trust any other documents I have furnished, including this Subscription Booklet.

B. Adoption of Operating Agreement

The undersigned hereby specifically accepts and adopts each and every provision of the Operating Agreement, and executes this Subscription Agreement as a counterpart signature page to that Operating Agreement.

C. Representations and Warranties

The undersigned hereby makes the following representations and warrants to the Company:

1. *Suitability Standards*

I meet one of the Suitability Standards described in Section 1 of the Private Placement Memorandum dated September 9, 2019 (please check the box next to the applicable standard shown in bold print below by which you believe you qualify):

☐ **Accredited Investor.** I am an Accredited Investor by virtue of the fact that I meet one of the following criteria:

- I am a natural person whose individual net worth or joint net worth with my spouse, at the time of the purchase of the Units, exceeds One Million Dollars (\$1,000,000), excluding consideration of equity in my primary residence and after having deducted any negative equity in my primary residence or any indebtedness that I have incurred on my primary residence within the sixty (60) days prior to subscribing to this Offering; or

- I am a natural person who had individual income in excess of Two Hundred Thousand Dollars (\$200,000) in each of the two (2) most recent years or joint income with my spouse in excess of Three Hundred Thousand Dollars (\$300,000) in each of those years and has a reasonable expectation of reaching the same income level in the current year; or
- We are a bank, insurance company, registered investment company, business development company, or small business investment company; or
- We are an employee benefit plan, within the meaning of the Employee Retirement Income Security Act, if a bank, insurance company, or registered investment adviser makes the investment decisions, or if the plan has total assets in excess of Five Million Dollars (\$5,000,000); or
- We are a charitable organization, corporation, or partnership with assets exceeding Five Million Dollars (\$5,000,000); or
- I am a director, executive officer, or general partner of the company selling the securities; or
- We are a business in which all the equity owners are Accredited Investors; or
- We are a trust with assets in excess of Five Million Dollars (\$5,000,000) that was not formed to acquire these Units.

2. *Other Representations*

I further attest to my Suitability for this investment as follows:

- My overall commitment to investments that are not readily marketable is not disproportionate to my net worth and the investment in the Company will not cause such overall commitment to be excessive; and
- All information I have provided in response to questions contained within this Subscription Booklet is true and correct as of the date hereof.

3. *Risks*

I have evaluated the risks of investing in the Company and hereby attest that all of the following statements are true and correct:

- I understand that the Private Placement Memorandum is very important and I have read the entire document along with the entire Operating Agreement and this Subscription Agreement and confirm that all documents that I have requested to satisfy my own due diligence inquiry regarding the Property and the Manager have been made available. I have been able to ask questions of the Manager and have been supplied with such additional information concerning this investment requested; and

- I recognize that an investment in the Company involves substantial risks and I have taken full cognizance of and understand all risks related to the purchase of Units, including, but not limited to, those set forth in the section entitled "Risk Factors" in the offering materials. I am aware that this investment is highly speculative and I am capable of bearing the degree of economic risks and burdens of this investment, including, without limitation, the possibility of a complete loss of all contributed capital, and the lack of a public market to the extent it might not be possible to liquidate this investment; and
- The offer to sell Units was directly communicated to me in a manner such that I was able to ask questions and receive satisfactory answers concerning the terms and conditions of this transaction, and, at no time was I presented with or solicited for this investment by any promotional meeting, newspaper, magazine, radio or television advertisement or any other form of general advertising; and
- These Units are being acquired for my own account, or the account of the entity I represent, solely for investment, and are not being purchased with a view to or for the resale, distribution, division or fractionalization thereof; and
- These Units, or any interest therein, will not be resold, either to an assignee or to a transferee, unless the Units are subsequently registered under the Securities Act of 1933 and appropriate state securities laws, or unless, among other conditions set forth in the Operating Agreement, and (i) an exemption from registration is available, (ii) any such resale will not cause a termination of the Company for tax purposes, (iii) similar warranties as are set forth in this Agreement are obtained from any such assignee or transferee and (iv) the written approval of the Company (which may be withheld and/or may require a satisfactory legal opinion regarding the availability of such exemption) to any Substitute Membership is previously obtained; and
- I am able to bear the economic risk that any investment in the Company could become completely worthless.

4. *Considerations*

I am aware of all of the following:

- The Company has no financial or operating history;
- There are substantial restrictions on the transferability of the Units which may not be re-sold or transferred in any event for at least one year from the date of the initial sale and only then may be sold or transferred pursuant to the transfer requirements described in the Operating Agreement; furthermore, the Units will not be, and Investors in the Company have no rights to require that the Units be registered under the Securities Act of 1933, or any other state or federal act, and any such registration is unlikely;

- Financial projections and forecasts, if any, in the materials provided by the Manager are only management's estimates based on assumptions therein stated. There is no assurance or guarantee that any such projections and forecasts will be met;
- At any time, the amount of distributions or tax effects that may be available as a result of investment in the Company is not susceptible to absolute prediction, and different future occurrences, interpretations or new developments in rulings of the Internal Revenue Service, court decisions or legislative changes may have an adverse effect thereon;
- No federal or state agency has made any finding or determination as to the fairness for public investment, nor any recommendation nor endorsement, of the Units;
- I recognize that the Company will be subject to various conflicts of interest arising out of its relationship with the Manager and Affiliates of the Manager. I understand that the agreements and arrangements including those relating to compensation of the Manager by the Company are not the result of arm's length negotiations. I understand the Company will not have independent administrative management and will rely upon the Manager and Affiliates of the Manager for management;
- I understand that the Manager has retained legal counsel who has prepared the Operating Agreement and that such attorney solely represents the Company or the Manager, and has not agreed to represent any of the Company Members. I have been advised to seek my own legal counsel. I have access to adequate legal counsel, and to the extent desired have received advice from my own independent legal counsel and have relied exclusively thereon;
- I understand that the Manager may receive substantial compensation pursuant to the Operating Agreement. I have reviewed the interests and compensation to the Manager and am satisfied that such is reasonable in connection with the Company and my purchase of interests therein; and
- I understand that the offering materials supersede any other facts or assumptions that may have been represented, guaranteed, or warranted to me by any person, expressly or by implication, in any way connected with or related to this Offering.

NOTE: Questions 5, 6 and 7 are intended to determine whether or not you qualify as an Accredited Investor pursuant to SEC Regulation D under The Securities Act of 1933 and amendments thereto:

- 1) Is your net worth in excess of One Million Dollars (\$1,000,000)?

Yes ☐ No ☐

*For purposes of this question, you must exclude the value of your primary residence. 2) Was your individual income during the past two years in excess of Two Hundred Thousand Dollars (\$200,000) or was your joint income with your spouse during the past two years in excess of Three Hundred Thousand Dollars (\$300,000) and do you have a reasonable expectation of reaching the same income level in the current year?

Yes ☐ No ☐

*Income may be calculated by starting with Adjusted Gross Income and adding the deductions taken for long-term capital gain, depletion, Company losses allocated to you and contributions to IRA and/or Keogh plans.

3) By what other definition of Accredited Investor will you wish to qualify? (See Section II (C) (1), bullets 1-8 of the Subscription Agreement).

11) The following questions will determine where State Securities Notices must be filed:
